

## Open Day – 10 November 2012

### Fontys International Campus Venlo

With 40,000 students Fontys is the largest university of applied sciences in the Netherlands.. The International Campus in Venlo has the largest number of foreign students of all Fontys locations - 70%. It is located at the Dutch-German border - one of the world's strongest economic regions and offers different English bachelor programmes in Business.

### Fontys International Campus Venlo invites you for its next Open Day!

At the Open Day students are introduced to our study programmes and university via presentations, guided tours, student companies and social events with current international students.
