# Welcome to Tilburg University!

Choosing a study program and university can be both exciting and difficult. What are you passionate about? And what are your career aspirations? There are many factors to consider and it is well worth investigating your options as early as possible.

At Tilburg University, we offer a large number of English-taught Bachelor's, Master's, and Research Master's programs in the areas of:

- Economics & Management
- Law & Public Administration
- Social & Behavioral Sciences
- Data Science
- Communication & Culture
- Theology

## Understanding Society

At Tilburg University, our mission is to inspire students to contribute to the development of a better, fairer, and more sustainable society. Our educational programs instill broad social awareness and stimulate critical personal and professional skills. Every day, our teachers and scholars apply their advanced knowledge on relevant and complex societal issues, like sustainability and society, the labor market, aging, security, healthcare, religion and identity, and big data. We want to inspire you to reach your full potential and, in doing so, have a positive impact on society!

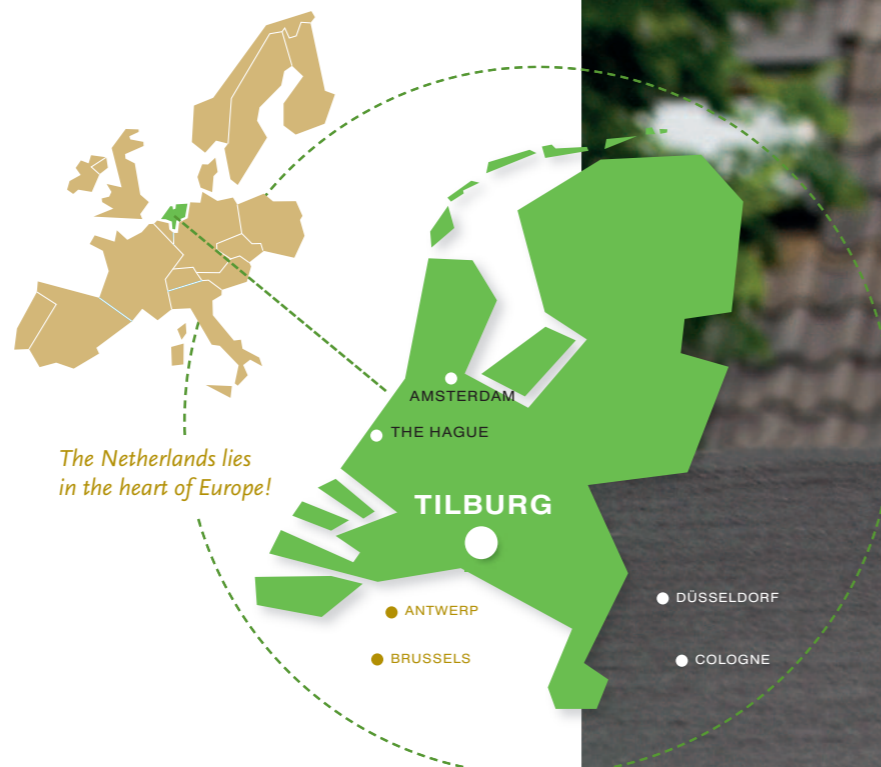

## Tilburg, vibrant and conveniently located!

There are over 29,000 students in Tilburg, so student life has an important impact on what happens in Tilburg. The city has something to offer for everyone: a thriving cafe and restaurant culture, sports, art films, world-class pop music and classical music, and great contemporary art. Combined with numerous festivals, exhibitions, and conferences, you will enjoy an exciting student life.

With a population of nearly 211,000, Tilburg is the sixth largest city in the Netherlands. It is conveniently located with just a short train ride to cities like Amsterdam, The Hague, and Rotterdam and easy access to European capitals like Brussels, Paris, and London.

The economic environment in the south part of the Netherlands is innovative and fast growing. This offers opportunities for internships at international companies located in and around Tilburg.

If you choose to study at Tilburg University, you choose a world-class university on a lively campus that offers cutting-edge research and teaching.

So many bikes! In the Netherlands, you will see bikes everywhere you go. In fact, our country has more bicycles than inhabitants! As a student, you will find that going by bike is a fast, easy, and safe way to travel.

## Why study in the Netherlands?

### International and open-minded

The Netherlands has traditionally been an internationally orientated nation. Most of the Dutch speak English and are well known for their open-mindedness.

### Many opportunities for an international career

The Netherlands is the world's 5th largest exporter, and home to many of the world's most successful multinational companies, including Philips, Shell, and Unilever. The Dutch economy provides many opportunities for those who wish to work in a multinational, multicultural environment.

### Safe environment

The Netherlands is a safe country by international standards. There is a relatively low level of violence and street crime.

### Quality of education

Higher education in the Netherlands has a worldwide reputation for its high quality. This quality is guaranteed through a national system of regulation and quality assurance. All Bachelor's and Master's programs are accredited (i.e., officially recognized) by the Accreditation Organization of the Netherlands and Flanders (NVAO).

### Innovative and interactive

Dutch people enjoy innovation and working on original ideas. As a student, you are continuously encouraged to come up with creative ideas and to think beyond conventional solutions and methodologies. You will be trained to become a problem solver. The Netherlands also fosters a culture of interaction. This is certainly true in the classroom, where you will interact and work with other students and your lecturers in an open and informal environment.

# Why study at Tilburg University?

**6.402**  
Bachelor's students

**272**  
PhD Students  
47% International

**4.588**  
Master's students

**Staff 1.514 fte**  
Including 890 FTE academic staff

## Top quality in Economics and Business

We rank #3 in Europe and #11 in the world in the Times Higher Education World Subject Ranking 2016-2017 in the field of economics & business

**30%**

international students in our English-taught Bachelor's programs

## Compact and green campus

Tilburg University has a green campus and is located on the edge of a forest. The campus itself is bustling with student activity, a contrast that makes Tilburg University a truly attractive and dynamic place for learning.

## International scope

Students and staff from 102 countries currently study and work at the university, so our campus is literally a 'global village' of diversity.

## Travel the world

Tilburg University has exchange partnerships with more than 150 universities all over the world. We encourage all Bachelor's students to spend one semester abroad. You will strengthen your CV, while developing strong intercultural skills in preparation for an international career.

## Interactive & challenging

At Tilburg University, class sizes are relatively small, which allows room for personal attention. In-class discussions and group work keep you actively engaged and involved. You gain the critical and analytical thinking skills you need to tackle challenges in the real world.

## Virtual Reality Lab

The DAF Technology Lab on campus is a virtual and mixed reality laboratory that offers high-tech facilities for students. It enables immersive education and innovative research opportunities.

## Improve your language skills

Of course you will improve your English when studying an English-taught degree program. But what about Dutch, German, French, or another language? All students registered at Tilburg University are entitled to take one or more courses at our Language Center for free.

## Honors and Leadership

For students who feel ready to take on challenges above and beyond their regular course of study, there are a number of interesting possibilities, such as honors and leadership programs.

## Top 100 ranking #65

We rank #65 in the world in the Times Higher Education Ranking for Social Sciences (2015). This ranking includes the fields of Business, Communication, Economics, Law, Psychology and Sociology, in which Tilburg University is active.

**12,399**  
students

**1,563**  
international students

## Bright career prospects

At Tilburg University we are dedicated to preparing you for your transition to the labor market. You will learn the necessary skills in class and can make use of a large array of career services. As a result, our alumni find a job within an average of 3 months after graduation.

## QS Subject Rankings

In the QS World University Rankings by Subject 2016, we scored 3 subjects (Accounting & Finance, Business & Management, and Psychology) in the top 100 and 1 subject (Economics & Econometrics) in the top 50.

## Excellent facilities

Tilburg University has all the modern facilities you need, including a state-of-the-art library, excellent ICT facilities, and top-notch Sports Center.

## Innovative

Dutch people enjoy innovation and working on original ideas. As a student, you are continuously encouraged to come up with creative ideas and to think beyond conventional solutions and methodologies. You will be trained to become a problem solver.

nationalities

# Program Portfolio

## Bachelor's programs

**Duration: 3 years**

Tilburg University offers high-quality, English-taught undergraduate programs in different fields. They provide an outstanding academic foundation. After completion, you can either continue with a related Master's degree or enter the job market.

## Master's programs

**Duration: 1 year**

Tilburg University offers more than 30 graduate programs, fully taught in English, in the fields of Economics, Business and Management, Social Sciences, Law, Data Science, Humanities, Communication and Theology. Each program provides a unique academic specialization and an excellent foundation for a future career.

## Research Master's programs

**Duration: 2 years**

For talented Bachelor's and Master's students with strong analytical skills and an interest in academic research, Tilburg University offers Research Master's programs. Completing a Research Master's program is the best way to prepare for a PhD position at Tilburg University or elsewhere in the world.

## PhD programs

**Duration: 3 or 4 years**

After you have completed a (Research) Master's program, there are several ways to obtain a PhD degree:

- as a PhD student employed by Tilburg University for a period of three or four years,
- as an external PhD student,
- as a PhD student with a grant or
- as a dual PhD partially employed by Tilburg University and partially by a third party (e.g. a company or government agency).

## Double / Multiple Degree Master's programs

**Duration: 1,5 - 2 years**

We offer a number of multiple degree programs in which you will complete a Master's degree at Tilburg University and combine it with one or two degrees abroad. After completion, you will receive a degree from both Tilburg University and the partner university or universities where you studied.

## Summer School programs

**Duration: 1-4 weeks**

Every summer, you can join the Tilburg University Summer School, which offers courses in various areas. Besides first-rate interactive courses, it also includes a fun-packed social program offering a large number of social activities. Every year, over 300 students representing more than 50 nationalities from all over the world participate. Most programs are aimed at students with prior academic experience but the language courses are also accessible for secondary school students with a minimum age of 17.

The fees in this table are valid for the Fall (Sep) intake 2017. Other fees may apply in specific situations – e.g., for students who have already obtained a degree at a Dutch university. The fees for the Spring (Feb) intake 2018 will differ slightly from the fees published.

<sup>1)</sup> Besides the tuition fee, an administration fee of € 1,150 applies

<sup>2)</sup> The exact fees for 2017-2018 have not yet been determined. The precise fees will be available on our website by the end of 2016.

<sup>3)</sup> Excellent students will be granted a tuition fee waiver up to the EU/EEA fee

PAWEL BESPALOV - UKRAINE:

“The university provides a good atmosphere for interaction between students and professors and creates an encouraging education environment. Without doubts, being part of a truly international environment broadens your horizon. Hearing different views on various issues indeed stimulates out of the box thinking.”

# Application & admission

## Bachelor's programs admission requirements

### Diploma requirements

In general, you are eligible for Tilburg University Bachelor's programs if you have:

- A Dutch VWO diploma
- An International or European Baccalaureate (IB/EB)
- A European secondary school diploma which allows access to university in your own country, such as the German Abitur, the Swiss Matura, the French baccalauréat, or British A-levels.
- In case of a non-EU diploma, we often require an additional year at university before you can start at Tilburg University. For some programs, we offer a foundation year.

### English language proficiency

It is necessary to demonstrate your English language proficiency by submitting the results of either:

- Academic IELTS: minimum score of 6.0 \*
- TOEFL Internet-based: minimum of 80 \*
- Cambridge (CPA or CAE)
- By submitting your IB or EB diploma

*\* Different requirements apply for the BSc Data Science: IELTS – min. 6.5 / TOEFL - min. 90*

### Additional requirements

Additional entry requirements apply, depending on the program you are interested in. For example, for a program in the field of economics & management or data science, you need to have sufficient knowledge of mathematics. For all our programs, you will need to take part in a selection procedure, which involves writing a motivation letter, and sometimes taking part in an interview or writing an essay.

*For a complete overview of our admission requirements, please visit our website: [www.tilburguniversity.edu/bachelors/admissionrequirements](http://www.tilburguniversity.edu/bachelors/admissionrequirements)*

*Alternatively, you can find all the program specific requirements in our online brochure at [www.tilburguniversity.edu/mybrochure](http://www.tilburguniversity.edu/mybrochure)*

## Master's programs admission requirements

### Diploma requirements

In general, you are eligible for Tilburg University Master's programs if you have:

- A Bachelor's degree in a relevant discipline for the program of your choice

### English language proficiency

You need to demonstrate your proficiency in English by submitting the results of either:

- Academic IELTS: minimum score of 6.5
- TOEFL Internet-based: minimum of 90
- Cambridge (CPA or CAE)

### Additional requirements

Programs in the field of Economics require a GRE. Programs in the field of Business require a GMAT.

The specific application procedures and requirements may vary between Master's programs.

*Please visit [www.tilburguniversity.edu/masters](http://www.tilburguniversity.edu/masters) to find out the exact requirements for the program of your choice. Alternatively, you can find all the program specific requirements in our online brochure at [www.tilburguniversity.edu/mybrochure](http://www.tilburguniversity.edu/mybrochure)*

## How to apply

Our application process is simple. You can apply online at any time before the deadline. For the majority of our programs, we have a rolling admissions procedure. This means that in most cases you will receive the decision of the Admissions Committee within 4-6 weeks after submitting your complete application. No application fees are charged.

## Tuition fees & living expenses

You can find the tuition fees per program in the tables with all programs. Besides the tuition fees, you will have living costs and other expenses. You will find life in Tilburg relatively inexpensive compared to life in other Dutch university cities, such as Amsterdam and Utrecht. The approximate cost of living is between € 750 and € 850 per month. This includes accommodation, food and drink, books and readers, and insurance.

## International student support

We offer a number of excellent support services specifically for prospective international students:

- Personal guidance throughout the application and admissions procedure
- Help in finding accommodation
- Immigration services
- Tilburg Orientation Program for newly arrived students
- Buddy program for international students

## Scholarships

### Non-EEA/EU students

Tilburg University provides a number of scholarships for outstanding international students who have been admitted to a Master's program. On [www.tilburguniversity.edu/scholarships](http://www.tilburguniversity.edu/scholarships), you will find a short description and a link to various types of scholarships which can help you finance your studies at Tilburg University. Please note that the number of scholarships are limited and mainly targeted at students with excellent grades.

### EEA/EU students

As a student from within the EEA/EU, you are entitled to pay tuition fees that are heavily subsidized by the Dutch government. Hence no additional scholarships are available.

You do have the opportunity to apply for a loan from the Dutch government to cover the tuition fees. If you meet specific requirements, you can also apply for a loan to cover your living costs, a free public transport card, and a supplementary grant from the Dutch government. *You can find more information on [www.duo.nl](http://www.duo.nl), click 'Foreign student'.*

Additionally, no additional earnings threshold applies to EU/EEA students (except to those from Croatia), so you can have a paid job in addition to your studies.

*Students experiencing virtual reality in the DAF Technology Lab on campus.*

## More information

For more information about our Bachelor's, Master's, Research Master's, and PhD programs, you can create your own Tilburg University information package. In only a few steps, you can create your own customized brochure with a.o. information on:

- the program content
- the admission requirements
- career prospects
- housing and immigration matters
- student life in Tilburg
