

## Global Management of Social Issues 2019-2020 Essay

## Write a short essay about ONE of the statements below (maximum 800 words):

- 1. Poverty is a condition that is impossible to eradicate.
- 2. If people are willing to work together, even complex problems can be solved.
- 3. Complex global problems (e.g. climate change, migration, drug trafficking) cannot be solved on a global scale but, at best, only in small steps at the regional level.

This is an opportunity for you to display your ability to critically analyze a topic and effectively argue your viewpoint - illustrating your points with supportive evidence. The students who have written the three best essays and who start the program, will receive a prize during the Program Introduction held at the end of August.
